"Alouette"

The pep rally, football game, and the coronation, all helped to make Homecoming 74-75 a lasting memory. School was dismissed early for the big parade, and pep rally. We won our football game defeating Valley 38-0. During half time the queen candidates and winners of the spirit stick and floats were announced. The seniors won the spirit stick and received 1st place for their float. The Coronation was held Sat. Oct. 12. Last years royalty, Carol Kennel and Neil Wagner, standing in for Bill Proctor crowned Lary Lehman and Susie Proctor as king and queen for 74-75. Jim Bunderson and Lori Johannsen were Prince and Princess.

"Carnival"

Fall was the season chosen to put on this years musical, "Carnival". It was presented Nov. 15 and 16, at the elementary school, under the direction of Mrs. Linstromburg and Mr. Fischer. It is the story of a young orphan girl who fell in love with the circus. "Lili", the orphan girl, is played by Chris Enterline. She is full of fantasy and romance. "Marco the Magician", played by Rob Springer, dazzles her with all of his magic tricks. Later he falls in love with his assistant, Rosalie. She is played by Debbie White. Joe Walsh plays the part of "Paul", the mean puppeteer. In the end, Paul and Lili fall in love. The cast consists of the 4 puppets, vendors harem girls, dancers, and the chorus. The musical was very colorful and a great success.

Lili sings with the puppets.

The grand finale: "Love Makes the World Go Round."

COACHES: Tom Leehy - Assistant, Duane Cox - Head, Tom Kearns - Assistant

Injuries were very prominent during the Dragons' 1974 football season. The loss of key members throughout the season was the leading factor in losses the first half of the season. As younger players gained experience the team performed as expected and finished strong. All in all, the season was successful with the promise of more good years to come.

Golf

The 1974-75 Gretna Golf Team got off to a slow start because of a long winter. The first week found the team practicing in the gym, but it wasn't long before they were out on the green fairways. The team posted dual wins over Palmyra, Waterloo, and Arlington while losing to Elkhorn, Waterloo, and Waverly. They also participated in the Elkhorn Invitational, the Capitol Conference, and District Golf Matches. Sophomore Bob Rueth was the most consistent golfer followed by Junior Dave Shepherd and Senior Doug Meyer. Coach Hoffman said he would like to see more students out for golf and a more competitive schedule. "FORE"

Gretna's Grapplers had one of their finest seasons in 1974-75. Wrestlers were often seen running in the halls or skipping meals to keep their weight down and give them an edge over their opponents. This, in addition to many hours of practice produced a 7-0 season, a first place trophy in the Platteview INV., a second place finish in the Conference, and a second place finish in the District.

Gretna Boys take a time out

Pumpkin Pumper, Monte Dukat gets a stingy

The Gretna Reserve Basketball team ended its 74-75 season with a 6-9 record. The record, however, is not indicative of the talent, hustle and desire shown by the members of the team. Coach Hoffman stated that he felt the team played well together, but because they lacked the capacity to simply outscore their opponents, they were forced to rely on "Defense". He praised the defense as one that took desire and hustle and the team had many hustlers. Highlights of the year included a win over undefeated Ashland and a win over a very physical Omaha Cathedral team. Another highlight was the return of Mark Filmer from the hospital to lead the team in their two final victories. We look for good things from the members of this year's team next year.

Cull And Ivey Head School

Mr. Stanley Ive; Principal

This year at Gretna High the Principal is Stanley Ivy, the Superintendent Leigh Cull. For the first time in many years Gretna Students had a pop break (thanks to the Adult Living Class and Mr. Ivy.) Our pop break is going from studyhall to the stage and relaxing over a can of pop. The secretaries this year are Karen Schram and Dawn Hansen. They do a good job and are pleasant to be around. We have an involved teaching staff at Gretna High. Our teachers are interested in helping the student achieve an active school life.
